Education

Degree in Sound and Image

2020

*Universidade Católica Portuguesa – Porto
Escola das Artes*

I learned a little about everything within Sound and Image, from video and image editing to sound capture and mastering. It also gave me a taste for programming and web development.

Professional training Digital Marketing and Social Media

2023

IEFP

It introduced me to an area that is highly requested by several companies for those who work with Graphic Design.

Professional training Graphic Designer

2023

IEFP

I was able to go a little deeper into what I like to do most and learn some new tools.

Professional training Frontend and Backend Development

2024

IEFP

I was able to learn a lot more about web development that university made me aware of.

Experience

Freelancer Graphic Designer

2016 – Present

From a very early age, I have always done various jobs in this area because it is something that I really enjoy and that has allowed me to improve my skills and critical sense.
